## How To Make Well Sweetened Tea

Brewed Like An Azn Grandmother And With All The Sweetness A Good English Speaking Azn Has All The Time

Look For The Finest Of Normal Tea And Rare And Exotic Tea From Around The World([Amazon.com](http://Amazon.com) And [Aliexpress.com](http://Aliexpress.com) Generally Have The Best Stuff) Generally The Classy Tea Without The Dangerous Metal Staple In It, [50Pcs Organza Bags 9x12cm, 11 cm](#) [5pcs Stainless Steel Tea Ball Infuser](#) For Easy Tea Making, And The Biggest Tea Pot That Fits On Your Stove, A Huge Wooden Spoon, A Funnel, And LeftOver Containers(Which Boiling Water Cannot Be Poured Into) For Storing The Tea In The Fridge. Choose As Many Tea Bags You Feel Will Be Brewable That All Fit Snugly In Only 1 Organza Bag After Being Put In The Bag Filter. To Tie The Bag Pull The Strings Through Eachother And Tie A Tight Knot Then Another Knot Making A Tight Double Knot. Fill The Tea Pot Full Completely To Near The Handles With Hot Water While Putting 4 Sweetener Packets In It To Entice The Caffeine Or Whatever Out Of The Tea. Place On The Stove Top And Set The Heat To The Highest. When Boiling Adjust The Heat To Mid-Heat Right After Putting In The Double Knotted Super Tea Bag And Stir Continuously With The Big Spoon. When It Is Well Stirred In One Direction Stir It Well In The Opposite Direction. Try And Keep The Boiling Up For Around 5 Minutes Smelling For Burntness. Turn The Heat Off And Keep Stirring For A Couple To A Few More Minutes Then Take The Big Tea Bag Out With The Big Wooden Spoon And Put It In (Which Is In One Of The Tea Containers) Funnel And Use The Spoon To Press Out The Last Of The Tea From The Bag Then Dump That Into The Huge Tea Pot. Dump The Tea Bag In The Sink And Start Washing It With Completely Cold Water That You Wash Your Hands In Cooling Your Hands To Take The Tea Pot Off The StoveTop To The Stove Surface. Wait Till The Tea Is At The Right Temperature To Drink It Then Add In 3 Sweetener Packets Of Whatever Artificial Sweeteners You Want Per Glass Of Tea Made Then Stir Thoroughly In Both Directions Then Still. Pour Through The Funnel (With A Used Organza Bag With The Stings Taken Out And Stitches Cut On One Of The Sides Of The Old Organza Bag So That It Fits Over The Funnel Held With A Rubber Band Properly To Filter The Grime At The Bottom Of The Pot) Into The Tea Containers Seal And Place Directly In The Fridge For Drinking. Always Carefully Untie(Hopefully With The Tip Of A 0.5 mm Mechanical Pencil, The One With The Twisty Eraser) And Reuse The Big Plastic Tea Bag As It Is Definitely Worth Saving To Make Another Batch Of Tea!

## How To Cook Well Spiced Meals

## Spice Of Life Transcendentalism

When You Go Into One State Of Mind Or Go Through A Kind Of Activity, Lack There Of, Or Conscious Or Subconscious Process Having Had Done Earlier In Your Life Spices, Sweets, Tea, And Other Drugs Cause You To Feel Better While Thinking Something, Thinking In Some Way, And/Or Thinking In A Kind Of Activity Or Active Way That Is Different Depending On The Type Of Drug Because Of More Enhanced Nerve Activity Giving You More Good Feelings Feeling Like You Are On Multiple Things At Once And Enhanced NeuroChemistry Because Of;

## American NeuroTransmitter Theory

You Can't Produce NeuroTransmitters On Your Own Or Else You Would Always Be High As A Kife And Not Want Drugs Desperately Like There Is Something More **Too It**, Like You Can't Eat Top Soil For Food, If East Asian Mysticism Was True Drugs Would Be More But Without **Universal Construction** Internal To Your Body You Cannot Turn Food Into Drugs/Neurotransmitters Like You Cannot Do Very Well On A Vegan Diet Or Else Everybody Would Be Vegan

NeuroTransmitters Are What Flavors Thoughts Physiologically In Nerves All Over Somebody's Body. When A Neurotransmitter Decides To Send A Signal It Needs The Right Neurotransmitter To Send The Signals Like **Remember, Know, Understand, Observe, Analyze, Judge, Good, Bad, Ah, Think Scientifically, Submit, Reality**, And Instead Would Only Have A Signal Found In Clean Tap Water Like "Study" Or Danger In Pepper But The Neurons (From Eaten Nuts) Would Still Be Able To Decide Things Occasionally Just Have Less Options In Sending Signals And Having Neuro-Glandular Transmitter Releases Causing Zones Or Cortexes Of The Brains To Be "Flavored" Only Few Certain Ways. These Neurotransmitters According To American NeuroTransmitter Theory Can Only Be Had By The Drugs On This WebPage And Fun Clean Drugs Like It. If One Does Not Use A Diversity Of Drugs Or A Cocktail Of Terpenes + CBD Like Found In **Hemp Buds** Or **Sage** You Would Have Poor Internal Neurotransmitter Or Thought Variety. If You Do Not Understand How This Works You Have Not Even Drunken Enough Tea And Eaten Enough Well Spiced Foods To Figure It Out. So Please Do At Least The Above Substances So You Can Think Properly, Because All Of This Will Make Sense To Somebody Sick Of Tea That Has Eaten A Good Variety Of Spices In Their LifeTime.

When You Are Into An Imbibable You Are Taking It In And In The Process Of Dealing With A **Drug Lul** Using Previously Upgraded Neurons To Turn On Neurons With The New Substance In It. When You Are On Drug[s] You Have Turned Those On And Are Fully "Baked" About Thinking With Them As Well.

**Come On Everybody Cool Is Doing It Or More So Get Started On Things That Feel Good To Get Let Into The After Party, The Before Party, The Party, Or Just Have A Party Anytime!**

Although People Don't Look Happy All The Time That Doesn't Mean They Are Not High. Just Like When Having Fun Watching Movies You Would Have A Blank Face, While Getting Happy And Excited Playing War Video Games You Would Look Like A Fast, Frosty, And Focused Soldier Or A Concerned Prince Most Of The Time, And While Having Ecstatic Sex One Puts On The Oh This Feels Great Look!

Dopamine Is The Only Thing That Makes You Feel Good But Having More In You Will Only Temporarily Opiate You Rather Than Permanently Enhance Your Happiness Through Actually Causing Mind Enhancement. Dopamine Just Makes You Feel Good Not Gets You High Like Having All Thoughts Go Through Your Head From Doing Everything Causing The Delta Effect To Bond, The Lul To Take, Then Proper Happy Functioning Through Symbiosis. If You Feel Like Something Is Giving You Dopamine That You Are Addicted To And It Feels Good Without The HeadAche Do It Before If You Feel Like Then Get High On A Cocktail Or Plethora If Around New Drugs To Get Buzzed, High From Peaking On Everything You Can Do Or Else The Dopamine Won't Be Released, Then High And Mighty After The Shit Becomes Your Brain If You Are Low Like A WhyLow.

It's Like That Except Neurotransmitters Are Really Like Neurosignalers Which Indicate Larger Plant Like Cell Cultures Of Specific Variety(s) [Virtually Always Neurosignaled Correctly Specifying { Or If Specified Incorrectly Like Disease May Do Designated Delta-X- } Proper Small For Specific Things To Large For Rarer Things] Made From Drug Processing Into Chewable Cells Meant For Consumption To Be Deployed As Nervous Computer-Like (Or Psionic Upgrades If Applicable) Cell[s] Proven By It Making You High Then Causing A **Drug Lul**.

If Your Body Degradates So Will Your Nerves So You Need Both Food And Drug {Proven By Feral Desire To Use} To Stay At Your Prime. Since Hit Points Is True And Everybody Just Packs On Flesh And Nerve Till Their H.P. Cap For Their Age, Food And Drug Is What Everybody Needs To Advance Or Even Cope At All And Not Be Stagnant. Getting Too Little Drug In You Will Cause You To Be A Biohulk And Turn Into An Ogre Of A Person With Less Nerves [ Which All Detect Disease In Direct Proximity To Even NonMedicinal Drugs (Medicinal Herbs Have Wider Range And Function) ] Who If Continues To Say No To Drugs Will Turn Into An Undead Abomination And Eventually Even Exude A Disease Cloud Around Them Like A Christ-Mongering Plague Victim Or Leper Daring You To Do Narcotics Then If You Sample Even A Whiff Demand Like A CrackHead Ludicrous Amounts Of Money Even Though You Didn't Want Any And Just Wanted To Make Sure Their Shit Sucks/Is-Poisoned. Normally Zombies Just Go On Zombie Meat Rides On Things Like Booze Taking Things In And Dumping Them Like Zombies That Waste Smoke Exhaling More Than Comes Off The Bowl, Wash Off Medicine Like Korean Aloe Gel, Dump Drugs After Integrating The Drugs As The Drugs See Fit In Their Body And Flushing It Out, Like Zombies That Don't Listen To Their Inner Child Desire And Do All Kinds Of God Awful Things Not Saving Every Grain Of Rice Like A Jap Can't Even Act Like They Don't Do.

Don't Ever Go On A Fentanyl/Crack/Heroin/Junkie Narcotics Ride, The Shit Ends Up Being More Powerful Than It Was, But The Narcotic Makes You Feel Good Like 1 Cup Of Tea That Takes Forever To Set In, The Narcotic Like Fentanyl Tends To Just Simmer In You Then Cuts And Runs With Your Body And Dumps Itself. Everything That Is Endorsed And Advertised On This WebRing Is The Real Deal Drugs And Medicine For People That Are Going To Bond And Take Drugs In Order To Pack In So Many "Cups Of Tea" Worth Of High Gotten After The Drug Lul Is Over/It Takes Time To Set In That Such Junkie Shit Is A Total Waste Of Time, Money, And Risk Each 3 Separately That Even If You Were To Get To The Supply Giving It Away, The Stupid Shit Would Be Like Rotten Western Medicine Instead Of Clean Witch Highs That Real People Not Zombies End Up Going So Sky High In Health, Intelligence, Endurance, Strength, And Magic That The Junkie Shit Isn't Even Worth The Ride If You've Done Just The Tea, Coffee, Spices, Sweetener, Even Without The Below Which Is Very Good To Do And Does Get You High If You Take The Time To Set It In Like Old School Research Chemicals. If You Want To Get High Keep Reading Because The Below And Hemp Sold Clean From Our Resellers Is Clean As A Whistle And Will Pack On Highs Day After Day Not Just 1 Pathetically Weak Hollow Rush To Real Drugs. If Your Wondering How Fentanyl Is So Potent It Is Based On FDA Processing Waste Of Drugs Linked Here Except They Are Venomized To Mind Control You Into Being A Junkie, Infect You With Disease, And Cut And Run From Your Body. Herb And Medicine {Which Gets You High Too} Is What You Need Because You Can Pack On High After High Of Stuff With The Same Potency That Builds Up To The Point Where Even A Vial Of Fentanyl Wouldn't Even Give You A Tweak Except If You're On Beck's TradeWind Co Shit You'll Get Powers To Notice Such Precise Changes That You Can Insult Junkies With. These Junkies Are Not Safe People Like Normal Pot-Heads Are They Are Completely Wasted Beyond A Zombie Who Takes And Dumps Booze, Will Expect You To Drive To The Ghetto At Knife Point Practically And Expect You To Pay At Least 100X For The High Which Gotten From The Cleanest Safest Links Here Will Cause You To Be High And Mighty In Nirvana. If You Don't Get This Paragraphs Just Keep Smoking Hemp From [www.tweedleFarms.com](http://www.tweedleFarms.com) Continuously For An Hour Or Till You Forget To Then Later On When You Are A Stoner Go Back The Beginning Of This WebPage And It Will All Make Sense When You Get To Here And Then You Will Be Able To Actually Stay High All Day And Not End Up Doomed Like A Junkie.

## Drugs; All Of Them Needed To Truly Get High. Flavors; All Of Those That You Want To Truly Get Mighty.

Only Doing 1 To A Few Types Of Drugs Just As Stupid As Just Doing 1 To A Few Types Of Foods, Just Doing 1 Type Of Flavor May Help You Become A Specialist But Then You Suck At Everything Even Eventually You Flavor Induced Specialty

If You Only Have White Food In You, You Will Be Simple, If You Only Have Azn Food In You You Will Be A Toy Good At Everything But Be Really Small In Mind And Body. If You Only Have 1 Drug In You You Will Be Freaky Weird About That And Have Way Less Mind. If You Only Stick To Certain Flavors Do All Food And Drugs You Will Be A Specialist Stunted %90 In Strength Of Mind And Body And Not Be Good At Everything. If You Want More Of A Food, Drug, Or Flavor Do More Of It But Never Neglect Everything Else Or You Will Be A Loser Gewber-Nerd Good At Nothing But 1 Special Skill Like An Idiot Savant With No Capabilities Of Doing Everything. So Don't Be A Stupid Idiot Loser And Do All The Food All The Drug And All The Flavors And Activities In Your Free Time As You Want Them Because Your Body Knows Best From All The Shit Above In This WebPage That You Already Did Or Things Like That.

[The Fwa](#) Does Not Really Publish Lists Of Everything And What Every Specific Thing Does Because Idiots Keep Thinking To Do The Same Thing Over And Over Again Because They Are Too Stupid To Figure Out That That Really Isn't Useful Even After Getting Fat Off It Instead Of Listening To The Real Advice Which Is To Get High However You Want Because You Are Not A Fucking [Tibetan Grand Master](#) That Know More Than Their Body Does.

YOU WILL NEED HERBAL/SERUM/BIG-AIDING MEDICINE(IF PRODUCT NOT SHOW UP ALOE GEL BOUGHT(FERRALLY)) FOR EVERY FEATURE OR PROBLEM ON YOUR BODY PERHAPS A CREAM, AN OIL, A GEL, A SOLUTION FOR EVERY KIND OF TISSUE OR DISEASE TISSUE CAUSING THE PROBLEM. I CANNOT BE THE GUIDE AS PRODUCTS KEEP CHANGING, AND YOU ARE SUPPOSED TO LEARN ON YOUR OWN IN THIS WORLD IN ORDER FOR YOU TO SPIRITUALLY ADVANCE THROUGHOUT YOUR LIFETIMES. WHAT YOU NEED FIRST IS ALL THE STUFF YOU WANT ABOVE, WHEN YOU ARE HAPPY WITH THAT, AND YOUR BETTERMENT THEREFROM YOU WILL BE CAPABLE AS A TIBETAN BUYER TO GET THINGS YOU WANT. HOWEVER IT IS ABSOLUTELY NECESSARY THAT YOU DO NOT USE THEM WHEN YOU DONT FEEL LIKE USING THE SUBSTANCE BECAUSE IT IS EXTREMELY IMPORTANT THAT YOU DONT WASTE THINGS, AND COMPLETELY ESSENTIAL THAT YOU DONT USE AND DUMP SUBSTANCES WHEN YOU ARE DONE "USING" THEM AND TRY AND ACT LIKE A RETARDED ASS CLOWN DUMPING ALL THE SHIT YOU GOT IN YOU WHICH IS YOU NOW. ZOMBIE MEAT RIDES ARE COMPLETELY UNACCEPTABLE AS MUCH AS ZOMBIE MEAT MONGERS NEED TO STOP CRACKING DOWN IN THE NAME OF THE DEVIL, ZOMBIES HAVE TO STOP DOING DIRTY DRUGS BEING NARCS AND DEFINITELY STOP MONGERING TO EAT THEIR OWN CELEBRITIES WHEN THEY FIND OUT THAT THEY HAVE A HIGH HIT POINT DENSITY OF ALL THE BEST MEAT, NOW FLESH OF THE VA PIXIES! AND YES AFTER IT HAS BEEN TAKEN IN THE SHIT JUST HAS TO REST OR TURN ON MORE TO GIVE YOU THE BENEFIT ETERNALLY ALTHOUGH ALL THINGS FADE WITH TIME UNLESS YOU KEEP DOING EVERYTHING WHICH YOU ALREADY WERE NEEDING SO YOU DONT BECOME A HAG, THEN GEEZER..
